**ITS Texas Board Member Spotlight, featuring...
Meredith Cebelak!**

Meredith Cebelak is the North Texas Project Executive with Gresham Smith. Before relocating to the Dallas Ft. Worth area, she was active with ITS Tennessee serving as President from 2020- 2021. As a dedicated professional in the ITS industry for over 20 years, she is excited to support the ITS Texas community as a new board member with ITS TX. In addition to supporting ITS Texas, she serves as secretary for the Dallas Fort Worth chapter of WTS. In her free time, Meredith enjoys running and is currently training for the Dallas Marathon. She passionately cares about mentoring and is

currently a Big Sister in the Big Brothers/Big Sisters program in Dallas. She is a subject matter expert in big data, ITS and freight and has over 20 years of professional experience in the design, implementation and evaluation of multi-faceted transportation engineering solutions. She has experience working with local, state and federal agencies guiding projects from concept to construction, and has been actively involved in the transportation research community through research projects and publications. Meredith has published and presented original research at numerous conferences including the TRB Annual Meeting, ITS America, and ITS World Congress. She has been recognized as a Dwight David Eisenhower Transportation Fellow, ENO Fellow and is currently a member of the TRB Information Systems and Technology committee.

ITS Texas 2024 Annual Meeting
